ABOUT COLUMBIA

Columbia is the premier manufacturer of electric work vehicles and proud of more than 60 years of success in its industry. Our customers recognize us as the leader in innovation, customization, safety, reliability, value and personal service.

As a member of the Nordic Group of Companies, we are able to serve you today - as well as tomorrow. The Nordic Group of Companies is a family-owned, Wisconsin-based business that includes Flambeau and Seats Incorporated - two leaders in their respective industries.

MARKS OF DISTINCTION

Green Designed to be friendly to the environment, you won't find a greener solution than our zero emission vehicles.

Smart Power With over 60 years of practical experience, our power systems are the most intelligent in the industry.

Built Strong We use the strongest materials in the industry to build vehicles that outlast the competition.

Easy Maintenance Our engineers hate "knuckle-busters", so they work hard to make our vehicles easy to service and maintain.

Extreme Range Our vehicles have all the range you need to get more done with power to spare.

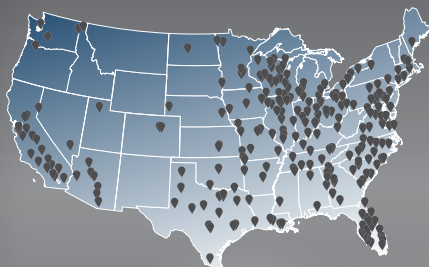

Ergonomics Our design teams focus on making our vehicles the most comfortable to operate or ride in.

Legal Statement

Features, options, specifications, color availability and model designations are subject to change without notice. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you order includes the equipment you require.

OWN A COLUMBIA TODAY

Authorized Columbia dealers around the world are ready to find the *WORKING SOLUTION* for you. Whether you are shopping for a new vehicle or looking to service your existing fleet, our certified dealers are ready to serve you. Columbia work vehicles may also be purchased through several government contracts and joint purchasing agreements. Contact Columbia today!
